HISTORIC AMERICAN BUILDINGS SURVEY

STAPLES HOUSE

HABS No. MO-1333

Location: Brunswick, Chariton County, Missouri

HISTORICAL AND ARCHITECTURAL INFORMATION

The following information was recorded by Alexander Piaget and Charles van Ravenswaay at the time the photograph was taken:

Two story frame house with small portico and fanlight doorway built ca. 1850. The exterior, with its late fanlight, the reeded corner pilasters and certain other details of early 19th century spirit, contrasts strangely with an interior distinctly late 1860s with its heavy walnut newel post and post-Civil War detail.

PROJECT INFORMATION

The Piaget-van Ravenswaay Survey consists of a number of photographs, primarily of sites and structures in Missouri, which were taken before 1938 by Alexander Piaget and after that by Paul Piaget, both in conjunction with Charles van Ravenswaay. Photographs of buildings were incorporated into the HABS collection in 1985 by Laura Rupp and in 1986 by Deborah Fulton, HABS historians. A master list is available in the ~~study~~ records for MO-1800.
